RE: Premises Identification Number, Opt Out Notification

Dear Mr. & Mrs. Whittaker:

In response to your phone call of June 6, 2007, please consider this letter notification that your premises information has been removed from the National Animal Identification System and the Idaho Premises Registration System.

Our records indicate that Ms. Cara Bieroth sent a letter to you on February 9, 2007, indicating the request had been submitted to the USDA. We can send you a copy of this letter if you would like. On June 4, 2007, Ms. Linda Cope contacted you by phone to inform you that she had received confirmation from the USDA that your information had been removed from the National Animal Identification System. Your information has also been removed from the Idaho Premises Registration System.

We respect the views of Idaho livestock producers and appreciate your input as we define this animal health program. If you have any further questions please do not hesitate to contact our office.

Sincerely,

Gregory A. Ledbetter, DVM, MPVM
